

THE RULE OF TWELVE

STATION TOPAZ SURVIVAL DOSSIER

TOPAZ RESEARCH ARCHIVE / ADAMS PROGRAM / RESTRICTED FILE

RESTRICTED
TOPAZ RESEARCH ARCHIVE
CLEARANCE LEVEL:
OMEGA-12

THE RULE OF TWELVE

OUR ONLY RULE. OUR ONLY CHANCE.

EXACTLY TWELVE GRAINS.
EVERY TWELVE HOURS.

TWELVE GRAINS

No more.
No less.
Count them.
Respect them.

TWELVE HOURS

Every cycle.
Every time.
Set the device.
Trust the count.

SURVIVAL PROTOCOL

Follow precisely.
Stay alive.
Break the rule,
risk everything.

This protocol is critical to survival.
Deviation may result in severe physiological collapse,
mental deterioration, or death.

SUBJECT & PERSONNEL FILES

MINNIE Researcher

Brilliant botanist and field researcher. Survivor of Station Topaz. Dedicated to understanding the Rule of Twelve and bringing hope to a broken world.

ADAM JONES / PAUL NEWBURG Lead Scientist

True identity: Adam Jones. Operating under the alias Paul Newburg. Designer of the Adams Program and guardian of Station Topaz.

ABE

Automated Biotechnical Entity

Integrated assistant system. Maintains infrastructure, monitors vitals, and supports research and survival operations.

UNIT: ABE-7B

DR. AVERY Radiation Specialist

Expert in radiation biology and human tolerance. Developed critical medical protocols and nanite therapies.

FACILITY: STATION TOPAZ

DESERT RESEARCH STATION - FORMER MIDWEST

LOCATION: Former Midwest
Coordinates: 39.8572° N, 93.3387° W
Elevation: 412 m
Climate: Arid, High Radiation
Status: Operational / Isolated

PERIMETER WALL
RADIATION INDEX
ELEVATED

KEY SCIENTIFIC FINDINGS

EMERALD MOON FRAGMENT

Recovered celestial fragment. Exhibits unique energy signatures and unknown properties. Central to the Adams Program.

THE ADAMS PROGRAM

A long-term initiative to harness advanced materials and biology to restore life and human potential. Originally classified.

MEDICAL NANITES

Self-assembling nanites that repair cellular damage, purge radiation, and support human survival. Developed by Dr. Avery.

RADIATION-RESISTANT CROPS

Engineered blooms and grains thrive in extreme conditions. Key to food security and long-term recovery.

EMERALD MOON FRAGMENT

CATALOG: EM-12A

TYPE: Extraterrestrial Mineral
COMPOSITION: Unknown
ENERGY SIGNATURE:

NOTES: Emits fluctuating resonance. Reacts to biological presence. Handle with care.

SURVIVAL & DISCOVERY TIMELINE

SURVIVAL
Arrive.
Secure shelter.
Establish the rule.

EXPERIMENTATION
Test. Observe.
Learn the limits of our bodies and the world.

DISCOVERY
Recover the Emerald Moon fragment.
Unlock its mysteries.

UNDERSTANDING
Develop cures.
Grow hope.
Honor the Rule of Twelve.

RECOVERY
Rebuild.
Restore life.
Carry knowledge forward.

"We count to stay alive. We learn to build a future."

MEDICAL NANITES - SYSTEM FILE

FUNCTIONS

- Cellular Repair
- Radiation Scavenging
- Immune Support
- Tissue Regeneration

STATUS: STABLE
EFFICACY: HIGH

RATION NOTE

Grains are life.
Waste none.
Share knowledge.
Protect the rule.
Protect each other.

— Minnie

FIELD LOG EXCERPT

Day 413: The blooms opened today. Radiation levels still high, but the grains held. The Rule held. We are still here. Hope is not a feeling. It is cultivation.

— M.
