TO THE READER

Long before the songs were written and the queens were crowned, five knights swore a sacred covenant to guard the Canticle Kingdom from the Many-Named One.

They trained in secret. They lived in hiding. They worked apart, and they stood together when darkness returned.

This dossier preserves what is known of each knight—their gifts, their paths, and the legacy they left behind.

May their example guide you, as they once guided the light.

THEIR COVENANT

- To defend the innocent
- To uphold the throne
- To keep the hidden ways
- To stand as one
- To leave a legacy

even when truth and duty clashed.

TOGETHER THEY STOOD

Positions in the Covenant

Five paths. One covenant.
United in purpose. Bound by honor.

THE LEGACY REMAINS

The Many-Named One returns in many forms,
but the covenant endures.

The light is never truly gone.
It only waits—for courage, for unity,
for the next generation to rise.
