

DESTROYING ANGEL DOSSIER

CRIMSON-SEAL CLASSIFICATION // PERSONNEL RECORD

HIGH SERAPH

*"The End of Time. We shall see about that."*

SUBJECT STATEMENT AFTER SENTENCING

IDENTIFICATION AND SENTENCE

OPERATIONAL NAME

XANDIR

TRUE NAME

[MEMORY SEALED / DESIGNATION REDACTED]

FORMER ASSIGNMENT

Watcher of humankind under Azazel

CURRENT DESIGNATION

Destroying Angel

SENTENCE

Compulsory service until the End of Time

DIRECT SUPERVISOR

The High Seraph in charge of Destroying Angels

PRIMARY DIRECTIVE

Carry out judgments issued through the celestial chain of command. The dark blade enacts justice and destruction; the light blade enacts mercy and preservation. Subject is expected to obey without altering the assignment.

ARCHIVIST NOTE: Compliance remains inconsistent whenever mortal lives are involved.

DIVINE EQUIPMENT

**EBONY BLADE - JUSTICE**

Channels destructive natural forces: storms, floods, lightning, heat, earth movement, and other catastrophic effects.

IVORY / PEARLY BLADE - MERCY

Preserves life, counters destructive conditions, melts restraints, and redirects natural forces toward rescue.

VERIFIED CAPABILITIES

- * Immortal angelic body; mortal weapons cause little lasting harm.
- * High-speed flight and exceptional aerial maneuverability.
- * Can remain unseen by most mortals at will.
- * Advanced swordsmanship with celestial-steel weapons.
- * Can command or redirect weather, water, earth, light, and other natural forces through his blades.
- * Displays unusual endurance, improvisation, and resistance to fear.

BEHAVIORAL PROFILE AND THREAT ASSESSMENT

- * Irreverent toward authority; habitually questions orders and motives.
- * Curious, impulsive, competitive, and prone to unauthorized experimentation.
- * Loyal once trust is earned; repeatedly risks punishment to protect others.
- * Compassion for mortals has increased across successive assignments.

CURRENT ASSESSMENT

UNPREDICTABLE*Potential weapon. Potential liability.*

DESTROYING ANGEL DOSSIER

SEALED ADDENDUM // FIELD HISTORY AND RISK ANALYSIS

RESTRICTED

SEALED DISCIPLINARY HISTORY

- * Withheld knowledge of Absalom's unlawful contact with a mortal.
- * Interfered with the authorized destruction of a peaceful Giant settlement.
- * Failed to deliver the final blow against Ganosh after a direct decree.
- * Entered the Garden of Eden without authorization.
- * Removed restricted plant material and became entangled in the theft of a Tree of Death seed.
- * Repeatedly altered mission parameters, formed prohibited attachments, and acted without permission.

Disposition: sentenced as a Destroying Angel rather than cast into the deepest pit.

CONTROLS, LIMITS, AND VULNERABILITIES

- * Disobedience triggers escalating pain through the palms and body until compliance is given.
- * Celestial steel can injure him; Heaven-crafted restraints can suppress movement and power.
- * Tree of Death substances can scar, weaken, or threaten angelic immortality.
- * Powerful demonic magic and life-draining contact can overcome his normal resilience.
- * Large manipulations of celestial or natural forces can leave him severely depleted.
- * Personal attachment is classified by supervisors as a recurring operational weakness.
